**PRESIDENT'S SECRETARIAT**

*New Delhi, the 14th January 1960*

**No. 7-Pres./60.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Mysore Police:—

*Name of the Officer and Rank*

Shri Kashimsab Imam Husein Soudagar, Armed Head Constable B. No. 352, Headquarters, Bijapur, Mysore.

*Statement of services for which the decoration has been awarded.*

On the afternoon of the 9th July, 1959 information was received by the Police that notorious outlaw Muttappa Balappa Talwar, who headed a gang of armed dacoits and was responsible for a number of dacoities and murders in Balgaum, Bijapur and Dharwar districts, had crossed the river Krishna and had been seen moving in the jungle between villages Jagadal and Yallati. The Reserve Sub-Inspector stationed at Jagadal immediately proceeded with an Armed Police party and some locals in the direction that the outlaw had taken. When the party had gone about half a mile into the jungle, the outlaw was seen making quickly for Navalgi. He was armed with a D. B. B. L. gun. The Police party gave chase and after a mile and a half when the outlaw could not throw off his pursuers, he fired at them and took cover in a tall maize crop in a garden. The Police party, reinforced by additional men from Navalgi, surrounded the garden.

Armed Head Constable Kashimsab Imam Husein Soudagar was posted on the northern side of the maize crop. It was getting dark rapidly, and realizing that darkness might provide an avenue of escape for the outlaw, he decided on his own initiative to take his men into the crop and try to drive the outlaw out. Armed Head Constable Kashimsab Imam Husein fearlessly led his men in loudly encouraging them to apprehend the outlaw. This ruse succeeded and the outlaw left the cover of the crop and tried to crawl out along the hedge near its border. Seeing him, the Reserve Sub-Inspector went forward quickly from the Western side and ordered him to stop. The outlaw whipped round and was just about to shoot the Reserve Sub-Inspector dead when he was himself shot dead by a Lance Naik in the Police party.

In this encounter with a notorious outlaw, Armed Head Constable Kashimsab Imam Husein Soudagar showed initiative, courage and devotion to duty of a high order.

2. This award is made for gallantry under Rule 4(i) of the Rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in Rule 5.

*New Delhi, the 18th January 1960*

**No. 8-Pres./60.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Assam Police:—

*Name of the Officer and Rank.*

Shri Nripendra Kumar Chakravarty,  
Constable No. 2219,  
2nd Border Security Force,  
Goralines, Shillong.

*Statement of Services for which the Decoration has been awarded.*

On the early morning of the 1st July 1959 when cultivators from Koroigora and Bholabeta villages in the United Khasi-Jaintia hills were ploughing their fields, they were suddenly fired on from across the nearby border. In the confusion and panic which followed two young boys who had been helping their parents got left behind.

Constable N. P. Chakravarty was deputed with another Constable to search for the children. He ascended a hill near the Koroigora Border Observation Post and saw the two boys lying in a depression in the paddy fields. In spite of the heavy exchange of fire still going on between our border forces and those on the other side Constable Chakravarty promptly set out alone towards the depression using such meagre cover as he could find. Of the two boys one was still conscious but suffering from shock, while the other was unconscious and half sunk in deep mud. Constable N. K. Chakravarty first led the former to safety and then returned under fire for the second boy whom he carried out on his back, crawling along the paddy bunds and nullahs. The boys were given first aid and restored to their parents.

In this incident, Constable N. K. Chakravarty showed gallantry of a high order in the face of grave danger to his life.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in Rule 5.

*New Delhi, the 19th January 1960*

**No. 9-Pres./60.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Andhra Pradesh Police:—

*Name of the Officer and Rank*

Shri Bachan Singh,  
Jemadar, 1st Battalion,  
Andhra Pradesh Special Police.

*Statement of services for which the decoration has been awarded.*

Jemadar Bachan Singh of "B" Company, 1st Battalion, Andhra Pradesh Special Police was in charge of a party of 20 Constables of his Company detailed for the protection of villagers harvesting their crops near the Cease-fire Line in the area of Teintvinott, Poonch District, Jammu and Kashmir.

At about 8-30 hours on the 24th September 1958, while harvesting was in progress about 250 raiders armed with spears, lathis and axes carried out an unprovoked attack on the Special Police party and the harvesters. A hand to hand fight ensued in which two policemen were injured. There was imminent danger of the arms and ammunition of the Police being seized by the attackers. Despite the heavy odds, Jemadar Bachan Singh with great presence of mind ordered his men to open fire and the raiders were driven back. Machinegun and rifle fire was then opened from across the line and continued up to 10-30 hours. During this period Jemadar Bachan Singh and his men stood their ground. Their brave conduct infused confidence into the harvesters who returned to their work.

At noon firing commenced again from across the Cease-fire Line and continued intermittently for three hours. Appreciating the inadequacy of the force at his command Jemadar Bachan Singh very skillfully withdrew his men and all the cultivators safely behind our military post.

Throughout this encounter Jemadar Bachan Singh showed leadership, courage and devotion to duty of a high order.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in Rule 5.

**No. 10-Pres./60.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the Madhya Pradesh Police:—

*Names of the officers and ranks*

1. Shri Umed Singh, Assistant Superintendent Fire Brigade (Police), Indore.
2. Shri Ramashanker, Constable No. 496, Indore.

*Statement of services for which the decorations have been awarded.*

On the 31st August 1959, a young man of 22 and two boys aged 14 and 15 were crossing the foot bridge which spans the Chandrabhaga river near Champa Bagh in Indore City when, due to a sudden and heavy fall of rain, the level of the river rose rapidly. In a matter of moments the water rose to chest height and the man and boys were obliged to hang on to the iron railing of the bridge to avoid being swept off it. The railing ends abruptly at the edges of the bridge and then for a considerable distance there is no railing. They were therefore unable to cross right over.

The Police Fire Brigade and Flying squad arrived on the scene. Attempts to rescue these young persons by throwing ropes to them proved futile due to the strong current. Very soon the level of the water rose above their heads, and then, unable to maintain their grip on the railing any longer, the three of them were carried down river.

Shri Umed Singh, Assistant Superintendent of the Police Fire Brigade seeing this immediately dived into the river and swam strongly towards them. The young man had been caught up in a whirlpool and was on the point of being

sucked under when Shri Umed Singh reached him and managed to extricate him from it, but the current carried him on. Shri Umed Singh swam after him and as he reached him the second time the young man threw his arms around him. With great difficulty Shri Umed Singh freed himself from the drowning clutches of the youngman and though well-nigh exhausted caught hold of his head with one hand and propelling himself with the other brought him safely on to the bank.

While this rescue was in progress, Constable Ramashanker of Police Station Juni, Indore, who had accompanied the Flying Squad, jumped into the raging torrent from the other side and after swimming a fair distance managed, though exhausted by the effort and injured in the leg, to get hold of the younger of the two boys and bring him safely out of the river. The other boy could not unfortunately be saved and his body was recovered later about a mile below the bridge.

Shri Umed Singh and Shri Ramashanker in this hazardous rescue operation showed great gallantry and devotion to duty at grave risk to their own lives.

2. These awards are made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

#### MINISTRY OF STEEL, MINES AND FUEL

(Department of Mines & Fuel)

##### RESOLUTION

New Delhi, the 14th January 1960

No. 9(1)/58-Oil(P1).—The Government of India have decided to constitute a Committee to advise on problems of common interest concerning petroleum products, and, in particular, problems pertaining to patterns of demand, supply, distribution, and consumption of these products.

2. The terms of reference of this Committee will be *inter alia*, the following:—

- (a) Preparation of forward estimates, productwise and then area-wise, of consumption of various petroleum products with periodical revision, at least once a year if not once in six months, of such forward estimates.
- (b) Determination, from time to time, of the extent of likely deficit regarding particular products for the country as a whole, and in particular areas, after taking into account the likely effect of plans in other spheres of the economy and the effectiveness of measures to curb or discourage consumption of such deficit products.

- (c) Examination of ways and means to reduce, or eliminate surplus in any particular products through increase in their consumption or exports or development of potential new uses for such products (or the distillate concerned).
- (d) Preparation of productwise forward estimates of refinery production, and periodical review and assessment of actual production so as to suggest ways and means of reaching the realisable product pattern best suited to the consumption pattern in the country, including modifications in existing specifications with due regard to quality control and safety.
- (e) Determination, first on freight basis, of the area of economic supply for each refinery (existing and future) and, after assessing the relative deficits and surpluses of each product in the area which could be linked to the refinery concerned, examination of further adjustments in actual supply areas to reduce such deficits or surpluses while avoiding cross haulage.
- (f) Assessment of the changing pattern of imports to meet such over-all deficits and yet to minimize actual outgo of foreign exchange, and of improvements that may be needed in existing port facilities for handling of petroleum products.
- (g) Ways and means to ensure fullest utilisation of Indian flag ocean-going and coastal tankers to reduce outgo of foreign exchange on freight.
- (h) Assessment of the needs of tanks wagons and other railway facilities to meet, in time, the movement requirements for petroleum products and, also, the possibility of having product pipelines to relieve the Railways on sections on which particularly heavy petroleum traffic can be anticipated.
- (i) Any other particular matter regarding refining and distribution of petroleum products that Government, on their own or on suggestion made by the Committee, may from time to time include in the terms of reference.

3. The composition of the Committee will be as follows:—

- (1) Shri K. D. Malaviya, Minister for Mines & Oil—(Chairman)
- (2) Shri Feroze Gandhi, M.P., 18, Queen Victoria Road, New Delhi.
- (3) Shri S. Nijalingappa, M.L.A., Venkateswara Extension, Chitaldurg (Mysore).
- (4) Shri A. K. Roy, Ministry of Finance, New Delhi.
- (5) Shri O. Pulla Reddi, Ministry of Defence, New Delhi.
- (6) Shri S. Ranganathan, Ministry of Commerce & Industry, New Delhi.
- (7) Shri Kripal Singh, Ministry of Railways (Railway Board), New Delhi.
- (8) Shri Tarlok Singh, Planning Commission, New Delhi.
- (9) Dr. Nagendra Singh, Ministry of Transport & Communications (Department of Transport), New Delhi.
- (10) Shri K. K. Sahni, Ministry of Steel, Mines & Fuel (Department of Mines & Fuel), New Delhi.
- (11) Mr. L. D. Mudie, Post Box No. 688, Bombay-1.
- (12) Mr. J. W. Sinclair, Post Box No. 355, Bombay-1.
- (13) Mr. J. R. Price, Post Box No. 155, Bombay-1.
- (14) Mr. W. P. G. MacLachlan, P. O. Digboi (Assam).
- (15) Shri S. R. Kothavala, P. O. Box No. 975, Bombay.

4. The Chairman may also specially invite any other person/persons to attend the meetings of the Committee or to assist the Committee.

5. Secretariat assistance, as may be required by the Committee, will be provided by the Department of Mines & Fuel, Ministry of Steel, Mines & Fuel.

6. The Committee will meet at least once every three months, and oftener, if considered necessary by the Chairman.

##### ORDER

Ordered that this Resolution be communicated to all the Ministries of the Government of India, all the State Governments, Prime Minister's Secretariat, Cabinet Secretariat, Parliament Secretariat, Private and Military Secretaries to the President, the Planning Commission, the Comptroller and Auditor General of India, the Accountant General, Central Revenues.
